

Luciano Kremer

INFORMATION SYSTEMS ENGINEERING STUDENT

I am a fourth-year Information Systems Engineering student. I graduated with honors from ORT Argentina High School. I enjoy tackling problems and keeping my mind engaged with complex ideas and situations. I have strong teamwork skills, being capable of following directions as well as organizing and leading a team when needed.

I am seeking a long-term position where I can grow professionally, develop my skills, and dedicate my time to contributing meaningfully to both the organization and society.
